

## THE ANN WILLARD ART/CITIZENSHIP GRANT

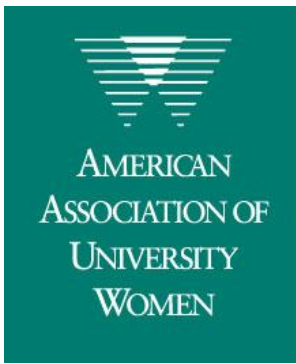

### AMERICAN ASSOCIATION OF UNIVERSITY WOMEN (AAUW) RIVERSIDE BRANCH

In memory of former president Ann Willard, the Riverside Branch of AAUW wishes to award a \$500 grant in her name to one or more full-time senior girls at Riverside Brookfield High School who will be graduating in June. We hope to select someone who enjoys the arts as much as Ann Willard did, although it need not be a career goal. The applicant should also demonstrate good citizenship, maturity and responsibility.

To be eligible, a candidate should:

- Be a full time student at Riverside Brookfield High School
- Have a GPA of 2.5 or higher
- Plan to attend college (either a two-or four-year program)
- Have application accompanied by at least one recommendation from either a Riverside Brookfield or private fine arts teacher, instructor, sponsor or coach
- Have the application typed or handwritten in black or blue ink
- Include a RBHS Official Transcript

Completed application forms and reference letters must be returned to the RBHS guidance office by the deadline set by the school for local scholarship. For further information, please call Robin Benoy at 442-7941 or Nancy Dvorak at 442-7366.
