	Calculations	Completeness	Clarity	Creative/Attractive
5	All calculations were clearly and accurately completed.	The project contained all parts of the assignment. It was thorough and showed a great deal of time and effort.	The project was extremely well organized and easy to understand.	Cleverly designed. Colorful and aesthetically pleasing. This project was truly unique!
4	Most calculations were accurate.	The project contained all parts of the assignment and showed some effort.	The project was somewhat organized and easy to understand.	Attractive, colorful, and creative. Nicely done.
3	Some calculations were accurate.	The project contained most but not all parts and some effort, or all parts and little effort.	The project was understandable, but required extra examination to follow clearly.	Attractive, but somewhat hastily done. Some creativity shown.
2	Few calculations were accurate.	The project had some of the parts and some effort, or most of the parts but little or no effort.	The project was difficult to read and follow.	Some creativity, but looks like not enough time was put into it.
1	None of the calculations were accurate.	The project failed to meet the requirements of the assignment and showed little to no effort.	Highly disorganized and difficult to read.	This project was not well thought out. It did not show the time and effort expected from this assignment.
