## **Staff**

I have read, understand, and will abide by the Technology Acceptable Use Policy and its associated Technology Usage Guidelines. I further understand that any violation of the guidelines is unethical and may constitute a criminal offense. Should I commit any violation, my access privileges may be revoked, school disciplinary action may be taken, and further legal action may follow. I understand and accept the conditions stated and agree to hold harmless, and release from liability, the school and school district.
