As the parent/guardian of this student, I have read the Technology Acceptable Use Policy and its associated guidelines. I understand that technology network access is designed for educational purposes. Riverside Brookfield High School has taken precautions to eliminate controversial materials. However, I also recognize that it is impossible for Riverside Brookfield High School to restrict access to all controversial materials, and I will not hold the school responsible for materials acquired on the network. Further, I accept full responsibility for supervision if and when my child's use is not in a school setting. I understand and accept the conditions stated and agree to hold harmless, and release from liability, the school and school district.
