

## RBHS teens seek home projects to perform to thank senior citizens

On Saturday, October 17, 2009, from 9:00 a.m. until 1:00 p.m., Riverside Brookfield High School students, staff and parents will be out in their communities trying to make a difference in the lives of senior citizens.

The RB Administration and school board enthusiastically support this endeavor. "Volunteerism is an indication of a vibrant community and an excellent educational experience. With that in mind and following the long tradition of service so evident in this community, we launched the RBHS Day of Service. We are proud to announce the day is back for the fourth year" said Tim Scanlon, Principal of RB.

The RB volunteers will be participating in a number of service projects as a part of Bulldogs Give Back Community Service Day. Senior citizens who need help with yard work, minor home repairs, computer problems or errands will be able to fill out a card listing what they need to have done and return it to the school by October 7<sup>th</sup>. The cards will be available at the school office, Riverside Town Hall, North Riverside Village Commons and local libraries, or senior citizens can call Betty Sharp at the high school at (708) 442-7500 X 2110. Look for more information at the school website, [www.rbhs208.org](http://www.rbhs208.org).

Over the last three years, many senior citizens in District 208 received assistance. The school expects to increase that number significantly this year after the positive response the program has received.
