PUBLIC FORUM ON THE STATE OF THE DISTRICT

Riverside, Illinois, March 8. Riverside Brookfield High School, District 208, will hold a public forum on the State of the District on Monday, March 15, 2010. The forum will be held in the Little Theatre (adjacent to the Alumni Lounge), beginning at 7:00 p.m.

At the forum, there will be an overview of RB's programs, academic achievements, and student accomplishments in athletics and extra activities. A major focus of the forum will be the District's financial position: past, present, and future. Materials will be handed out at the meeting. Following a presentation by Interim Superintendent David Bonnette, there will be opportunities for questions and comments.

District 208 anticipates a deficit budget in 2010-11. As the Board of Education plans for the next year and beyond, it wishes to inform the community of the program and budget decisions that face the District and the potential impact that these decisions will have on students.
