**Application Procedures
High School Service Award**

The purpose of the Rich Port YMCA Men's Club High School Service Award is to recognize and reward the community service efforts of local high school students. This is a **monetary award** not a scholarship. The \$750.00 award is given to the winners directly. Criteria and requirements are as follows:

- Applicant must be a senior in high school.
- Applicant must provide a written application detailing their experience as a volunteer, community/social servant, or community involvement.
- Applicant must be available for a 15-20 minute interview with Rich Port YMCA Men's Club Award committee members (date to be determined) to discuss their application and qualifications.

There is not a standard application for this award. Make sure you provide us with your contact information on the second page of this form. The questions listed below may be addressed in written form by the applicants. If possible, the application should be typed. Applicants **may also include up to 3 reference letters**. Applicants are also encouraged to include any official recognition of their service work in the application. This may include certificates of achievement; citations, media stories, etc ... Please do not include academic transcripts in your application.

Please address the following questions in your written application

- How did you become involved in volunteerism/community service?
What organization(s) or constituents have you volunteered your services?
Have you assumed a leadership role in any of your service activities?
Why is your volunteer work important? Why is it important to you?
What role does service have within a community?**
