HIGH SCHOOL LEADERSHIP CONFERENCE

Pick up an application for the CEP Youth Leadership 10th Annual conference during lunches this week beginning Tuesday. Meet new friends from other high schools and have fun doing teambuilding activities and see inspiring speakers talk about how you can be a leader and make a difference through volunteerism! Stop at the table to also learn more about helping with Haunted Manor!

ATTENTION ALL STUDENTS

Starting today, a Math Lab will be available during all lunches in Room 218 (Ms. Mynaugh's room). All students are welcome from freshmen to seniors. This is a chance for you to retake a test, make test corrections, receive help with your homework, and study.

Attention Athletes: Along with the math lab, we will have study tables available for you. Please come for assistance with all of your subjects.

Catching Fire, by Suzanne Collins (8/30)

The second book of the *Hunger Games* series. Against all odds, Katniss Everdeen has won the annual Hunger Games with fellow district tribute Peeta Mellark. But it was a victory won by defiance of the Capitol and their harsh rules. Katniss and Peeta should be happy. After all, they have just won for themselves and their families a life of safety and plenty. But there are rumors of rebellion among the subjects, and Katniss and Peeta, to their horror, are the faces of that rebellion. The Capitol is angry. The Capitol wants revenge. -*Amazon.com*
